Tianle Jiang

📱 (+86) 173 2102 7561   •   ✉ jiangtianle@sjtu.edu.cn

Education

Shanghai Jiao Tong University   **Shanghai, China**
ACM Honors Class, which is an elite CS program for top 5% talented students.   *September 2021 – Present*
Major in Computer Science and Technology

Research Interests

My current research mainly involves Online Algorithms, especially Online Matching. Besides, I am also interested in Randomized Algorithms and Algorithmic Game Theory.

Research Experience

Shanghai Jiao Tong University   **Shanghai, China**
Research Intern   *September 2023 – Present*
Advisor: Yuhao Zhang

Honors and Rewards

International Collegiate Programming Contest (ICPC)   **Sept 2021 – Present**
- **Gold Medal** in Shenyang, Nanjing, Hangzhou, Hongkong(1st place), Xi'an Regional
- **Gold Medal** in Asia-East Continent Final Contest (2021 and 2022)

China Collegiate Programming Contest (CCPC)   **Sept 2021 – Present**
- **Gold Medal** in Guilin, Guangzhou, Qinhuangdao Regional
- **Gold Medal** in China Collegiate Programming Contest Finals (2021 and 2022)

Selected Courses

- Mathematical Analysis: 92
- Linear Algebra: 90
- Data Structure: 95
- Abstract Algebra: 96
- Algorithm Design and Analysis: 98
- Probability Theory: 95
- Graph Theory and Combinatorics: 97
- Data Mining: 98
